HOUSING SUBDIVISION SUGGESTED FOR ALTONA SPORTS PARK

Tentative Plan Submitted To Council

A tentative plan for subdividing the Altona Sports Park into residential lots has been received by Altona Council but it is believed the Board of Works will not permit this development as the area is a flood plain for Kororoit Creek.

The proposal before Council involves the widening of Kororoit Creek to double its existing size, construction of a road parallel to the foreshore linking with a bridge over the mouth of Kororoit Creek and roading to serve 357 lots.

Most of the lots would have direct access to waterways connected to Kororoit Creek.

The promoters of the scheme sought Council's approval in principle and, if given, they will proceed with a detailed investigation.

The Board of Works has spent about \$250,020 on levelling and other works in the area and will not allow any obstruction to floodwaters.

Altona Council has a 21 year lease on the Park with 17 years still to run and has plans for a public golf course.

Development of the area as a golf links is permissible but the fact that no fencing around the boundaries is allowable and possible tree planting is limited the City Engineer's Department feels this severely restricts the value of the area as a golf links.

At the General Purposes Committee last week on a motion by Crs. Les Crofts and Bill Sommers, Council decided the City Engineer and Cr. Harry Weaver discuss the proposal with officers of the Board to ascertain the Board's views.

They met yesterday and it is believed the Board will adhere to its previous decision to permit no development which would impede flood waters flowing across the Park.

St. Mary's School To Be Extended

Two additional classrooms and a large toilet block will be added to the Sargood Street infant school of St. Mary's Church, Altona.

A \$30,000 contract has been let to H. & L. Weaver for the building extensions which will commence after Easter and be completed within 22 weeks.

The proposed extensions will extend back onto the two blocks facing McBain Street.

A.N.H.S. Win Swimming Shield

Following the pattern of steady improvement over the last two years, the swimmers from Altona North High School this year finished a close second to Sunbury High in the Western division sports (B Section) held at the Olympic swimming stadium on March 17.

It is encouraging to note that the school's greatest number of points was amassed in the junior section, where Altona North carried off the shield.

As these junior swimmers move up through the age groups they should help spell out a tale of further success for the school over the next few years.

Credit for the junior shield win must go to the following —

Allison Kemp for her wins in the under 13 freestyle and backstroke;

Bruce Tackney for the under 12 backstroke;

Brian Downes for the under 14 backstroke;

Cheryl Shaw for the under 12 backstroke.

Full credit for the ANHS second placing must go also to other winners in Glenda Kemp, John Stewart, Ken Evans and to the whole team for a wonderful effort.

Record Breakers

Altona High swimmer, Phillip Tyrell, (right) congratulates a Braybrook swimmer, Barry Grant, after both had broken records on Monday at the Western Division Section A of the Metropolitan High School Sports.

Altona High had two outstanding swimmers, Phillip Tyrell and Leanne Webb. Both won all individual events they entered. Phillip broke the records for the Over 16 100 metres freestyle (1.12 sec.) and the Over 16 200 metres (2.28) and won the 100 metres backstroke. He also won the winning relay teams which won the Over 16 Medley and the open relay.

Leanne is an Under 13 swimmer and won the 50 metre freestyle for this age group. But she also won the Under 16 50 metre butterfly and Under 16 200 metre freestyle.

She was in the Under 13 relay team which set a new record of 2.29 for the 4 x 50 metres.

And she swam the Butterfly leg in the Open medley relay team which finished second.

Altona High won the Junior Shield at the sports Detailed results of all events contested by Altona High will be published next week.

War Veteran Jack Paproth Dies

After a period of falling health honoured life member of the Returned Servicemen's League Mr. Herman John (Jack) Paproth, of Railway Street, Altona, passed away on Friday at the age of 74 years.

A returned soldier from the first World War, he joined the League in 1919.

In 1926 he was a foundation member of the Altona Branch and since then in a sense he lived and worked for ex-servicemen, in the wider sphere and most particularly in Altona.

Mr. Paproth served in the 8th Light Horse Brigade and for many years a photo of him in this uniform was displayed in the foyer of Anzac House.

In Altona his interest in the League brought him into official service.

Except for a period of 4 years as president he was secretary from 1927 until his retirement in 1964.

For over 20 years he was a trustee of the Branch.

As well as for his long service in office Mr. Paproth will always be remembered for his particular and practical interest in all matters affecting returned men.

In 1950 he was presented with a Branch Life Membership badge.

On the 50th anniversary of Anzac Day (in 1965) he was awarded the League's highest honor, the League's gold Life Membership badge by the then State President Brigadier W. H. Hall, C.B.E., D.S.O., E.D.

Mr. Paproth had lived in Altona for 45 years. In his early life he was a wool presser in shearing sheds and was an active Labor Party member.

Later he was with Young-husband's for 18 years where he became leading hand wool presser and was the union shop steward.

During the Second World War he was unsuccessful in attempts to enlist.

On Monday after prayers at the funeral parlour he was interred in the Memorial Park Lawn Cemetery.

Mr. Paproth is survived by his wife, Anne, sons and daughters, John, Raymond, Ada, Rose, Alan and Lois, and stepchildren Harold, Chub, Norma and Val and a number of grandchildren.

One son, Leonard, predeceased him.

MISS ALTONA APEX WEDS

MISS ALTONA APEX 1969, Miss Lynette Joy Deacon, and Mr. Gerald Coates were married on Saturday at Holy Trinity Church, Williamstown, and left on a honeymoon trip to Brisbane where they expect to live for the next 12 months.

The groom, who is the only son of Mr. and Mrs. E. Coates, of Frankston, is a member of the Army.

The bride is the second daughter of Mr. and Mrs. Bon Deacon, of Linnet Street, Altona.

Over her satin gown she wore a guipure lace overlay and her full length scalloped veil was held in place by a guipure lace head-piece. She carried a bouquet of white roses.

She was attended by her sisters Mrs. Karen MacLeod and Christine Deacon, friend Mrs. Nola Davis and her niece Kellie MacLeod.

They wore white A-line frocks of hailspot nylon and carried white carnations tied with deep red ribbons.

Best man was Mr. Errol Davis and groomsmen Mr. Malcolm MacLeod.

The bride's mother wore a lemon coat frock trimmed with black and white, a black and white hat and black accessories. An aqua frock and bone accessories was worn by the groom's mother.

The reception was held at Talbot House.

AUSTRALIAN SUB-JUNIOR RECORD HOLDERS AT ALTONA NORTH HIGH SCHOOL

Altona North High School's two representatives at the recent Australian Athletic Championships turned in very creditable performances.

Giannina Sardi finished third in the Australian Junior Discus with a throw of 109 feet, which marks her as the best sub-junior (under 15) discus thrower in Australia and the twenty-fourth best behind Jan Roberts if all age groups are considered.

Jenny Davidson filled 7th place in the junior long jump with 17' 10½" against the best 14 jumpers Australia can produce. However, it is her leap of 18' ¾" recorded recently which ranks her as the best sub-junior long jumper in Australia and 16th overall.

These performances are all the more remarkable when one considers that the girls are both still under 15

Garden Competition Winner

Mr. and Mrs. K. Stevens, of 19 Maidstone Street, have won the grand championship of the Altona Apex Garden competition.

The result was announced by the Mayor, Cr. Pat Burns, at last night's Council meeting. He presented certificates to the area finalists whose names were published last week and to representatives of Australian Carbon Black, winner of the best factory grounds.

Mr. and Mrs. Stevens received a trophy and grand champion certificate.

The award for the best street group went to the section of Millers Road opposite Seaholme Primary School.

Residents of this group are (all Mr. and Mrs.): L. C. Noordenne, G. V. Simonds, E. M. Newth, R. C. Edwards, A. W. Knight (MLC for Melbourne West), W. Dockery, T. de Jong, J. de Jong, B. W. Keen, D. Craggs and N. Woodcock.

and had to compete against opponents of 17 years of age. The future certainly looks bright for Giannina and Jenny for they are eligible to compete as Juniors for a further three years.

Bay Pipeline

The Government is investigating the possibility of a land route for the pipeline proposed to go across the bay.

This was stated in a reply to a question in the House from Hon. A. W. Knight.

He asked have any alternative plans been submitted or suggested for the proposal to put a pipeline across Port Phillip Bay from Long Island to Altona.

The reply was that no alternative plans have been submitted for the proposal to lay a pipeline across Port Phillip Bay from Long Island Point to Altona.

The Minister for Fuel and Power is, however, presently investigating the practicability of other routes on land.

RING THE POLICE

Local police are asking people to keep in mind the armed hold-ups now prevalent at service stations, liquor stores, banks and bank agencies.

The Police are keeping a watch on these places as well as schools because of the fires that have been occurring.

The public are asked to co-operate with the Police by ringing the following numbers if they see any suspicious persons or happenings:—

In Altona, 398-2976.

In Williamstown, 397-6376 or 397-5581.

Anyone without coins can dial the emergency number 000 and ask for Police.

Newport Elderly Citizens

The Club got away to a good start for its new year of 1970, which began just four weeks ago.

Since then the club has paid visits to Gisborne and Mt. Macedon, per bus trips, club members enjoyed the visits and they were made under ideal weather conditions, which means everything to a successful trip.

Members are looking forward to the next trip away, which will be to the Upper Yarra Dam on Wednesday, the 8th of April. Secretary Bert Crougham has other trips away arranged, but in the mean time if you have not as yet booked for the 7th of April trip, do so as soon as you can so that the Secretary can make his arrangements for the day.

Members will be pleased to know that both Mr. & Mrs. Meredith have recovered from their ailments so much so that the last we heard was that they are spending a well earned holiday at Warburton.

To all citizens in the Williamstown & Newport area, over the age of 60 years, you are eligible to join the Newport Elderly Citizens Club situated in Mason St., Newport, so come along and join up, on any day Monday to Friday.

Not only will you meet many new friends but there's much entertainment of all types and you will be able to join in yourself.

Mr. Frank Mason, has been appointed controller of the billiard & snooker room and he is also captain of the billiard team taking part in the Elderly Citizens Billiard Competition which begins on the 9th of April.

Williamstown High School

At the annual meeting of the Parents and Citizens Association of the Williamstown High School held on Wednesday, March 18, the following office bearers were elected —

Office bearers elected are as follows — **PRESIDENT:** Mr. H. Haman; **VICE-PRESIDENTS:** Messrs. W. Jackson and D. Lees; **HON. SECRETARY:** Mr. N. Hutchison; **ASSIST. SECRETARY:** Mrs. R. Watt; **TREASURER:** Mrs. N. Sheers; **COMMITTEE:** Messdames S. Bold, E. Davies, B. Owen, K. Starbuck, Messrs. R. Malbon, A. Wyatt (past president); **AUDITORS:** Messrs. J. Criddle and R. Malbon.

In his inaugural address the president said: "It takes a crisis to get a good attendance at our meetings. Witness the last meeting, following the fire at the school. Even so there are still the majority of parents who do not bother to attend even in a crisis. To these parents who do not attend the meetings I say please support your committee's activities which continue throughout the year. Their results benefit all who are associated with the school. The magnitude of any task is inversely proportionate to the numbers of people who tackle it."

At the ordinary meeting which followed, Mr. Ironside, for the School Advisory Council, reported that the building fund stands at \$25,389.91, which includes the total revenue of \$6418 for the past year, derived from voluntary contributions and fund raising activities.

The principal, Mr. Howe, reported that cleaning up preparatory to re-building after the recent fire at the school is well in hand. He also said that careful scheduling had reduced disruption to classes, due to the fire, to a minimum.

Only one class has to use a temporary room in the old drill hall.

The possibility of a joint newsletter for the school and its organisations was raised. Also, Education Week is August 9-15.

Parents views on both subjects would be welcomed at the next monthly meeting on April 15.

The Ladies Auxiliary is holding a working bee on Monday, April 6, at Williamstown Youth Centre (at the rear of the Town Hall) to sort and price clothing and white elephant goods in preparation for the coming jumble sale. Items for sale would be appreciated. Please contact Mrs. J. Malbon, 397-58771.

HOUSING SCHEME

The Western Australian Parliament has approved a unique housing scheme under which the permanent building societies will provide funds for families to purchase State Housing Commission homes.

The main points of the scheme are:

- The Commission will contribute an interest rate subsidy of 1 per cent. on the funds so that a purchaser will not pay more than 6 per cent. per annum on his loan.

- A participating society will continue to earn a normal interest rate of 7 per cent. per annum on its funds.

- The scheme will be mainly for applicants in the upper bracket of income on the Housing Commission waiting list.

- The interest rate subsidy will be payable only during the first 10 years of whatever term is arranged for repayment of the loan.

- In the first year, the "Permanents" are expected to provide about \$15 million for 1,500 families to buy homes.

Outlining details of the legislation, State Housing Amendment Bill (No. 2) in the Legislative Assembly on October 15, 1969, the W.A. Minister for Housing (Mr. O'Neill) said:

"The purpose of the measure is to empower the Commission to subsidise interest rates charged by Permanent Building Societies to enable applicants obtain housing loans at rates which will bring the instalments within their financial means.

Permanent Building Societies are currently undergoing an unprecedented rate of growth and this is enabling

The Cross of Compassion

The followers of Jesus have ever had a vision of His suffering and death on the cross — the form of the death and agony. It is not easy to understand that He died for the world.

Christ came to seek and to save the lost. And that was because of his compassion for them.

He had compassion. He was not only sorry for sinners, He not only suffered for sinners. He suffered with them. The translators of the new English bible in their wisdom, have translated the word "compassion" as "pity."

When Christ wept over Jerusalem he did not merely pity that city, He suffered with its people. When the Samaritan helped the Jew who had fallen among thieves, He suffered with him. When the good shepherd sought the hundredth sheep, He suffered with it.

When the father of the Prodigal met his home-coming son He rejoiced with him. And when Christ suffered on the cross, He saw the people of the world, their sin and the consequences of their sin and He suffered with them, and for them.

Christ felt the sins of the world in such a way. He must give His all to its saving and the last step He could take was death.

But death could not triumph over goodness, it never can — the resurrection is not based only on the account of the Gospel writings. It is proved by the lives of His followers down the ages.

Christ bore the Cross of Compassion He said "if any man will be my disciple He must deny himself and take up the cross and come follow me".

That cross He asks for, the Cross of Compassion — the suffering with those who suffer, those with need, those who do not know their weakness, must be borne by those who would follow him. And in the lands where Christ has become known, compassion has increased.

In a real sense, it is the underlying influence in all works meeting humanity's needs. While compassion lasts Christianity can never fail. Compassion transcends the boundaries of religion and Easter without compassion would be meaningless

EDITORIAL

MILLERS ROAD

Forty-six motorists were booked for speeding offences in Millers Road, Altona, on February 13, 1970.

That such a small percentage of car drivers should have exceeded the speed limit is, at first sight, rather surprising.

The conditions of Millers Road are such that the temptation to excessively speed is hard for some to resist. But a daily average of 46 speedsters would amount to nearly 17,000 each year. And these added to the usual run of all other offences by car drivers combine to make Millers Road a hazard.

The Altona Council's unanimous request for a boom crossing and improvements at Seaholme are commendable.

But these in themselves will have little effect on the main danger in Millers Road. Particularly called for is more restraint by all car drivers.

Thoughtful drivers do give consideration for themselves and others. The thoughtless ones may learn by regrettable accident but the community will be behind all efforts to defeat their menace.

Altona High Mothers' Club

The Annual Meeting of the Altona High School's Mothers' Club was held on March 2, 1970. The following were elected for the committee:

President: Mrs. S. Haining.
First Vice-President: Mrs. E. Webb.

Second Vice-President: Mrs. R. Faichney.

Secretary: Mrs. J. Russell.
Asst. Secretary: Mrs. L. Dangar.

Treasurer: Mrs. N. Bonnett.
The meeting was attended by 13 ladies, five of whom have children at school.

It is very disappointing that more mothers do not come to the meetings. This year a variety of demonstrations on meeting days have been arranged. Meetings are held on the first Tuesday of each month at 1.30 p.m.

Social Afternoon, April 6, 1.30 p.m., at the Homestead.

Artex Demonstration, April 7, 10 a.m., Mrs. N. Chrystale, 1 Linwood Ave. Meeting follows.

St. Eanswythe's Ladies' Guild will hold a meeting at the home of Mrs. Bransgroves, 54 Waters Drive, Bay-side Village, on April 1, at 8 p.m. Anyone needing transport should phone 398-2892.

MARRIED AT HOLY TRINITY

Mr. and Mrs. Harry Wilson prepare to enter the bridal car after their marriage on March 13 at Holy Trinity Church, Williamstown.

The bride is the former Robyn Deegan, second daughter of Mr. and Mrs. G. M. Deegan of Webb Street, Altona, and the groom is the eldest son of Mr. and Mrs. H. Wilson of Fenfield Street, Altona.

A lace coat and train were worn by the bride over her sheath frock. Her short veil was held by a pillbox hat and she carried a bouquet of roses.

Bridesmaids were the bride's sister, Kay, and Judith Forbes. Best man was Sgt. Michael Reardon and groomsmen were Mr. Graham Seers.

A reception for 60 guests was held at the Footscray Returned Servicemen's League.

HOLIDAY IN EUROPE

Mr. and Mrs. A. Medal, of Purnell Street, Altona, are returning to Europe for a holiday after 21 years in Australia.

Their daughter, Dana, at present working for Trans-Australia Airlines in New York, is returning on Easter Saturday to travel part of the way with her parents.

The three leave Melbourne on Easter Sunday and fly direct to New York, where they will stay for two days.

Mr. and Mrs. Medal will then fly on to Frankfurt for a week to stay with Mrs. Medal's brothers and sisters. One of her sisters will be celebrating her Golden Wedding on April 4 and they will be there in time for the celebrations.

Afterwards they go to Hamburg for a week to stay with another sister and then to Czechoslovakia to visit Mr. Medal's family.

After a stop in Switzerland, the Medals will return to New York for another couple of days then a three day stop-over in Honolulu — a present from Dana.

High School Fete

On Saturday, April 11, the Parents and Citizens' Committee of the Altona High School will be holding a monster Fete at the school.

Cakes, groceries, clothes, plants, fancy good and sweets will be on sale.

Teas and refreshments will be available, also train rides and other attractions for the children.

During the day a display will be given by Brendon Edwards, from Sunshine.

Please keep this date free. Any donations of goods from parents or friends will be gratefully accepted. If you can help please ring 398-2353 or contact Mr. W. Haining, 16 Spear Court or Mrs. Holmes at the school.

Approaching Marriage

ROCHESTER - STEPHENSON
Mr. and Mrs. A. W. Rochester, of Brooke Street, Inglewood, announce with pleasure the marriage of their only daughter, Melita, to Alan, second son of the late Mr. E. M. Stephenson and Mrs. J. Pearl Wedding

Ann and Alec Aitken, of Railway Street, Altona, celebrated their 30th wedding anniversary last Sunday night. Their family took them out for the evening for dinner and dancing.

PRESIDENT'S DAY

Fifty-three ladies attended the successful President's Day given last week by their President, Mrs. Phyl Stephens, at the Altona Bowling Club.

In appreciation of the two years Mrs. Stephens has been in this office members presented her with a marcasite brooch.

Winners of the day's events were:—

Spider: Min Woodyard.

Ditch to Ditch: Jane McNeillage and Dot Gadsden.

Winning Rink: Alma Deacon, Kath Bray, Vera Sevier.
Runners-up: Ivy Mitchell, Maisie Blair, Edna Beyer, Ruby Fisher.

PRE-EASTER SOCIAL

A most pleasant evening for members of the Altona District Hospital Ladies Auxiliary and friends was held last Saturday evening at the Altona Central Reception.

At the pre-Easter social guests enjoyed dancing and a 3-course smorgasbord meal.

Next function to be conducted by the Auxiliary will be a Morning Coffee and Liquid Embroidery demonstration on April 15 at the home of Mrs. Lorna Weaver.

Val's Column

Hello Girls,

Don't let pimples and acne spoil your fun girls—boys too! Worrying about it does not help: be constructive — remember a large number of people your age have the same trouble.

The reason they are so common in your teen years is that this is the time when certain glands start to change and function more quickly. These glands cause a build-up of natural oils which clog the pores of the skin, allowing organisms to develop which cause pimples and acne. Now these blemishes need only be as bad as you let them be.

Choose the right soap. Gamophen, H.X. blemish soap; Sapoderm — provides proper cleansing and germ fighting action. The hexachlorophene works deep into the pores to cleanse away the dirt, bacteria and excess oils that cause unsightly eruptions on the surface of your skin. Wash your face as often per day as possible — it only takes a few minutes.

Regular use builds up a protective film which continually fights the problem areas. First wash your hands and rinse. Now lather and massage into the pores. Rinse off. Put on Revlon Total Skin Care Lotion, leaving on as protection. Do not pinch or squeeze, it will only make it worse and may make permanent scars.

A non fatty diet, plenty of fruit and vegetables, plenty of fresh air, ample rest, balance in all these help greatly.

Have you got Pure-Aire in your refrigerator? Pure-Aire, shaped like a pear, absorbs unwanted odours for at least 6 months, takes up little room, but does a lot of good. A space-age discovery, used in nuclear submarines to refresh the air. Pure-Aire makes all the difference.

Citrus-Aire automatic cleanser: Place by suction cup in cistern, notice how it cleans, deodorises and disinfects. Use in septic tanks, it is not harmful.

Bye.

CONSUMER PROTECTION—A MODERN VICTORIAN MYTH

Among its many other progressive policies Labor aims to bring forth the extremely important issue of Consumer Protection during the election campaign leading up to the day of decision on May 30.

The present Consumers Protection Council was formed just over five years ago to gather information on dishonest practices which are employed against you, the retail consumer. This information was to be referred to the Government so that corrective legislation could be passed and these practices stopped.

In fact, as we have come to expect from the present Government the Consumer Protection Council is another example of a toothless tiger formed to lull the public into a false sense of security by believing that their interests are at the forefront of Government thinking.

These are not false claims when we consider that the Council was unable to get enough money or staff, it could not publish a consumer bulletin, it could not even get effective legal advice and though it worked to some degree because of a very hard working staff and because the press, radio and television helped to publicise the complaints that were notified we still find that the Minister of Labour and Industry took four months to table the latest report in Parliament.

The Government now plans to remodel the Consumers Protection Council. In the future you will place your complaints with the Department of Labour and Industry, not with the Council.

THE COUNCIL WILL BE LEFT —

1. Without administrative responsibility and more importantly it will be unable to produce any more reports upsetting to those profiteering by Victoria's "open go" for salesmen.

The need for a Consumers Protection Council is obvious when you consider that we consumers have no way of knowing whether a product meets a required quality, is overpriced, is the correct weight or will meet its guarantee.

We have many examples of unfair trading in Victoria but because we tend to believe that we can cope individually with the situation the need for protection is largely ignored, but when we are seeking wage and salary rises collective action is taken through our unions and professional organisations. Why not then have an organisation to help us to discover and obtain value for the money we strive so hard to earn.

Recently a prominent member of the Canadian Government said "The consumer and the producer interest often conflict because the classical theory of buying and selling doesn't work. This theory assumes that producers would always act to make the biggest profit on their money and that consumers would always act to get the best value for theirs, but due to existence of monopolies consumers are unable to obtain sufficient information on their purchases to make a value judgment and thanks to the power of advertising the goods are no longer distinguishable.

2. How are you deceived into parting with your money? For example:

You may see a detergent selling at a special price with the bottle marked "Nett contents 1/2 gallon", but does this help you if its three-quarters the strength of the detergent you normally buy.

Investigations have also

found salesmen trained by their employers to misrepresent their products, or their prices, or their conditions of sale. Practices in which the only thing at a discount is dishonesty.

In some countries these practices are punishable by law, the New York Consumer Bureau took to court a company that was selling an \$80 stove for \$658, a \$450 colour television for \$1,575 through high pressure techniques with hire purchase backing. The court found their sales techniques illegal and the pricing unfair.

An encyclopedia company calling door to door doing "survey" to get into the home and make sales were fined \$7,000 in costs for their dishonesty.

These are only a few of the methods under which we all suffer in this State of Victoria which permits sales methods to be introduced from countries in which they are illegal but we can rectify the situation by demanding that an effective Consumers Protection Council be set up. A council that will be composed of producers and consumers and independent of the Government, staffed by Government employees.

The Council must be left free to develop its own work, to be able to engage in consumer activities, to produce advisory leaflets, to publish a price index, to produce magazines and to investigate what is going on in Victorian marketing and advise the Government accordingly.

The benefits you will obtain from these activities will be:

1. Lower prices for goods and services.
2. Better quality products.
3. Complete confidence in repair companies.
4. Realistic advertising.
5. Greater availability of goods.

We can have these benefits which are derived simply from the principle "thou shalt not deceive".

This principle seems to have been mislaid in this day and age and surely we have reached the time where we in Australia must make a new start and obtain true value for our money and enjoy the affluence we hear so much about without ever really seeming to be part of it.

The question was asked, when the Government proposed to dismantle the existing Council "Is this a new lease of life for consumers?"

Under a Labor Government the answer will be a firm "NO".

Altona West School News

Office-bearers elected on March 11 at the meeting of the Altona West Primary School Committee were Chairman, Mr. George Nevitt, Secretary Mr. William Haining and Treasurer Mr. Alan Heriot.

Committee members are Mesdames E. Chisholm, H. Mathews, V. Monkivitch and A. Hardy, Messrs. I. Haskell, J. McGlashan, F. Murray, J. Mason, K. O'Donohue, J. Franklin and J. Hudson.

On the same evening a Bi-Annual meeting of parents was held.

It was mentioned that in the past two years a large amount of equipment had been purchased by the Mothers' Club and from canteen profits.

Suggestions for future spending including a cover over the canteen, improvements to school playing areas, sprinkler system for the

front garden area, more garden seating, physical education equipment, musical instruments, gramophone records and on the library.

Recent sports results by school teams are:

Cricket. — Firsts, Altona West, 8 for 75 (Terry Pinney 26 n.o., Brenton Thomas 17 n.o.) defeated Altona, 41 (Mildenhall 9, Paul Wilsher 5-16, Terry Pinney 4-23 and Ross Matthews 1-3).

Second, Altona West, 28 (M. Fallon 13, Chris Evans 6, Victor Fetni 5, O. Stafford 5-12, Brett Douglas 1-7) were defeated by Altona, 58 (Paul Ashman 7, Owen Stafford 12, Y. Wittstadt 2-20, V. Fetni 3-18).

Softball. — Both Altona West teams lost to Newport. Firsts 18-22, and Seconds 4-10.

Playing against Altona the Firsts won 28-18, and the Seconds lost 20-44.

Altona High School

The practice cricket area at Altona High School is to be partially roofed over with 2" chainmesh wire. said Mr. Larry Floyd today.

On behalf of the Altona West Primary School Mr. Floyd had made representations to the Education Department for a protective wire mesh fence between the cricket/soccer playing area of the high school and the primary school.

It has been alleged that balls being used by high students were responsible for breakages of windows at the primary school.

The Assistant Minister of Education advised Mr. Floyd on March 11 that the department has approved funds for partially roofing the practice area and has requested the Public Works Department to arrange the work to proceed as soon as possible.

ALTONA SQUARE DANCE

The Square Dance scene in Altona continues to be popular with last week being no exception.

Operation door-knock for the come-as-you-are party night on April 2 is progressing well with some of the members being found in interesting circumstances.

As next Thursday's dance will be held on Easter Eve you are invited to come along to the club's Bunny Night, which should be lots of fun.

The Square Dance is held every Thursday night in the Youth Hall, Civic Parade. Dancing is from 8 till 11.15 p.m. to the calling of David Hooper.

Further details can be obtained by ringing 398-2708.

Rotary Club Of Altona

At the weekly meeting of the Rotary Club of Altona on Tuesday, March 17, Mr. George Tack spoke on the topic: Preservation in Timber.

He mentioned that, though Australia now imports thirty per cent of her timber needs, she hopes to be self-supporting by the turn of the century. We now produce mainly softwoods (about two million super feet per day) and thus chemical impregnation, to prevent rot and attacks by borers and white ants, is important.

A fluid containing copper, arsenic and chromium is forced deep into the timber. The chromium fixes the copper and arsenic so that they are insoluble in water and thus not affected by ground water. This treatment allows the use of small section poles as there is now no need to allow extra diameter for rotting, when in the ground. With this treatment, softwood poles will last for up to 40 or even 50 years.

Next week the speaker will be Mr. Rodgers who will speak on the Australian aluminium industry.

THE CURTAIN RISES

Ten to 15 years ago the Williamstown Little Theatre had a large group of people able to play the mature roles.

Ted Cordell, Jim Harland, Peter Henry, Margot Harper, Ngairie McCutcheon, Jen Stewart, Ella Bambery, Gay Stay and many others were popular with local audiences.

At the moment we have very few actors and actresses able to play these parts and if, as sometimes happens, they are all engaged on other pursuits we can find it difficult to find people to fill the cast.

The next production, "A Woman in a Dressing Gown", by Ted Willis, requires a middle-aged husband and wife team.

The Williamstown Little Theatre has been fortunate enough to secure the services of Jeff Booth to play the long suffering husband.

Jeff Booth played George in Viaduct Theatre's production of "Who's Afraid of Virginia Woolf" and the lead in Heidelberg Rep's "Rain Maker".

The part of Amy Preston, the disorganised wife will be played by Ivy Walker, one of Strathmore Theatre Arts Group's very well known players.

Peter Cheasley is playing the part of the young son and is making his debut at Williamstown.

Christine Bambery is to change from comedy to play a rather charming mistress with a conscience.

Other parts are being played by Peter Egan and Lorraine West.

Production is in the capable hands of the Moomba's best producer, Loris Blake and there is no doubt that her production will be as carefully planned as was "Rattle of a Simple Man".

The season will run from April 29 to May 9. Please try to keep these dates in mind when you are making plans for your social life so that you will not miss getting a good seat.

Members of the Children's Theatre are reminded that

no classes will be held on Saturday, March 28, because of the Easter holidays. Classes will be held as usual on the following Saturday, April 4.

Combined Pensioners' Association

A bright afternoon was enjoyed by members at the monthly social of the Williamstown-Newport branch of the Combined Pensioners' Association which was held on March 13.

The branch membership is growing. Quite a few new pensioners have joined this year.

Owing to Good Friday falling on the meeting day the meeting will be held on April 10 at Newport Library Hall.

Members who have booked for the picnic to Rosebud on April 1 are reminded that the buses will leave outside the Library Hall Newport at 9.30 a.m. sharp.

Easter Eggs For Patients

— VIA EASTER BUNNY

Rosemary Margan, well-known TV Weather Girl and model, will appear in all the wards at the Footscray and District Hospital dressed as an Easter Bunny on Easter Sunday, March 29.

The Red Tulip Chocolate Company has made available enough Easter Eggs for every patient in the hospital.

Rosemary will not be able to visit all patients, but will go to each ward. She will visit every child in the Children's Ward. Her visit will commence at 11 a.m.

SUNDAY SCHOOL PUPILS

Five or six eight-year-olds and their teacher from Scots Sunday School, West Footscray, will also visit the Children's Ward on Easter Sunday. These youngsters will make presentations to some of the young patients.

ALTONA CAMERA CLUB

A talk on filters and their various uses was given at the Altona Camera Club's last meeting, followed by a few members' slides and prints being shown for criticism.

An invitation from the Footscray Photographic Society to an interclub competition to be held in the Footscray Town Hall on May 28, was accepted. Details will be announced later.

At the next meeting the results of the March competition which was "Action" will be announced. The rest of the evening will be open. This would be a good opportunity to air any of your photographic problems.

Members are reminded that the April competition has an "Open" theme which is any subject of your own choice.

The Altona Camera Club meets every Friday night of the month (except the first) at the Homestead, Queen Street, Altona, at 7.30 p.m. Ring 398-1937 for details.

Williamstown Youth Centre

LEADERSHIP COURSE
A number of the Williamstown Youth Centre's Group Leaders have been selected to participate in a series of Training Courses. These are being conducted by the YMCA (Melbourne).

This first series, of 8 weeks duration, commenced on the February 17.

This embraces the "Understanding of Youth Work".

Girls sponsored are C. Jennings, L. Napier, L. McLeod and L. Jamieson. The boys are C. Howard and T. Hambling.

The second series will commence on April 1 and be of 15 weeks duration. This is a "Basic Course for Club Leaders" and will include one weekend camp.

The girls to be sponsored are A. Black and J. Black, together with boys P. Reitman, G. Tack, R. Jones and N. Speakman.

It is the Centre's policy to ensure that an adequate number of trained leaders are available for supervision of the various evening groups.

THE REPORT COURTEOUS

The following reported interlude in Parliament speaks for itself:

PERSONAL EXPLANATION STATEMENT IN DEBATE

Mr. FLOYD (Williamstown).—By leave, I desire to make a statement. Having consulted my colleague, it is apparent that you, Mr. Speaker, were fairer to me than I was to the Chair. It appears that I was in grievous error when I accused the Chair of not putting the motion relating to the order of business. I thank you for your tolerance, Sir, and apologize.

THE SPEAKER (the Hon. Vernon Christie).—I accept the apology from the honorable member for Williamstown, who is so dear to this House, because it can be given only by a great student of Parliamentary affairs and a good honorable member.

Lead and Neil Speakman were invited to attend this year's Government House Garden Party for Youth Organisations. This party was held on Saturday morning, March 21. The members were accompanied by Mrs. B. Pedley.

Williamstown Squash Club

GIRLS

C Reserve 1 defeated Balwynwyn, 3-1 (98 points to 57).

MEN (Second Round)

A Reserve had a bye.
B Grade defeated Don, 3-1 (145 points to 131).

B Reserve lost to Fawcner, 2-2 (93 points to 101).

C Reserve 4 v. NSC. No result to hand.

C Reserve 6 v. Fawcner. No result to hand.

Brian Watts was very unlucky not to clinch the match for his team, B Reserve. Needing only one game from the last match, he led 8-6 in the third game but just failed to clinch the deciding point to lose 9-9, 4-9, 9-10.

Will the team captains of the C Reserve sides please forward the results by Saturday mornings in future.

URGENT

To captains of all teams, girls and men: Results must be left at Newport Sports Store, 316 Melbourne Road, Newport, by Saturday morning after the match. Results may be put under the door at any time convenient.

Williamstown City Band

Owing to weather conditions the fair held on Saturday wasn't the success the Williamstown City Band had hoped for and it is hoped in the near future to have another sale of goods.

Thanks are extended to all who gave donations of goods.

The \$35 worth of linen was won by Mrs. G. Sloper, 19 Agg Street, Newport.

Ladies Hockey Resumes

Altona Ladies Hockey Club will start practice on Saturday, April 4. Any girl interested in playing is asked to be at the ground, next to the Altona Youth Hall at 2 p.m.

A general meeting will be held in the clubrooms on Tuesday, April 7, at 7.30 p.m. Any mothers interested in election of office-bearers is asked to please go along.

ALTONA HISTORICAL SOCIETY

Last Wednesday the members of the Altona Historical Society met in their room at the back of the Homestead for an interesting meeting. Apologies were received from several members who found it impossible to attend.

Arising from the minutes was the matter of the pine tree which has to come down to make way for the new Woolworths store opposite the new Post Office.

The Society successfully applied to Council some time ago for something to be done about a section from the tree to be preserved for the Historical Society so that the rings could be counted and the age of the tree established.

It is believed by some that the tree may have been planted by Alfred Langhorne when he built the Homestead and that could have been 133 years ago.

It is planned that the section of the tree could eventually be displayed in a suitable place and significant dates be plotted on the rings giving an unusual historical calendar for the Altona people.

The Society has been advised that their application to Council through the Arts Council for \$50 to cover expenses has been successful.

The Council was advised that the Society members are anxious to have negatives and copies of all photographs they display and this is a very expensive item.

The re-written history has

been undergoing further changes in the last month due to more research but it is hoped that it will soon be ready for duplication and public perusal.

Since the paper is now much longer consideration is being given to charging a small amount per copy to cover expenses.

It is expected that further research will make the history out of date in a year or two, therefore making it necessary to revise again when it seems best.

A display on land development in Altona is planned for November this year in which many original advertisements will be displayed.

Consideration is also being given to the type of display which should be held in 1971. March is the month which may be chosen for the 1971 display. This matter will be discussed at the next meeting of the Society which will be held at 8 p.m. on Wednesday, April 15, 1970.

If any person is interested in the activities of the Society they are advised that they would be welcome to attend the next meeting at 128 Queen Street, Altona, or else phone the Secretary of the Society at home on 398-2090 for any information.

LIT FIRE DURING BAN

A case against Susan Walsh, of Romawi Street, Altona, who lit a fire on a day of total fire ban, was adjourned for 12 months at Williamstown Court on Friday, and she was placed on a bond of \$50 to be of good behaviour and was ordered to pay \$50 into the poor box.

Const. Jacobs said he went to a house in Romawi Street, Altona, on February 9, a day of total fire ban, and found the fire brigade in attendance. In the garden of the house he found a large drum containing ashes.

Walsh admitted having lit the fire in the drum and said she did not know it was a fire ban day.

Walsh told the court that she had not listened to the radio that morning and the previous night her husband had been mending the television and had not been able to watch it. She said they did not have a daily paper delivered to the house.

Anzac Token Appeal Day

On Friday, April 24, citizens of Williamstown will be asked to buy an Anzac token. Prices range from 20c. to \$1. The total proceeds from the sale of these tokens is credited to the RSL Welfare Fund. A portion is sent to the headquarters of the RSL which maintains the War Veterans' Homes and a portion is retained for local welfare work.

The RSL hopes that the people of Williamstown will donate generously.

Altona Primary School

The next meeting will be held at the school on Wednesday, April 1, at 1.15 p.m. A Kandy Demonstration will follow. All mothers welcome.

Office-bearers for 1970:

President: Mrs. E. Woodhead.

Treasurer: Mrs. L. Booth.

Secretary: Mrs. B. Woodyard.

Asst. Secretary: Mrs. P. Keeshan.

Fence To Be Replaced?

Williamstown Council are to write to the Secretary of the Victorian Railways asking for the fence between Thompson and Cole Streets to be replaced.

Cr. K. White said the fence was in a rather dilapidated condition.

A chain wire fence had been erected in Railway Place and he asked if this type of fence could not be put up between Cole and Thompson Streets to replace the one made out of old railway sleepers.

Australian Boys' Choir

Due to the overwhelming number of requests for The Australian Boys' Choir to sing at weddings, it has been decided to accept engagements for Saturday weddings only.

If you would like to have the members of this famous Choir sing at your wedding, phone 20-7223 for details, or apply in writing to the Secretary, Australian Boys' Choir, Box 2390 V, GPO Melbourne, 3001.

So as you will not be disappointed, you are advised to make your bookings early.

Extra Holiday Request

Outdoor employees of Williamstown Council have asked the Council to consider granting them Easter Tuesday as an additional holiday.

The request came from the Federated Municipal and Shire Council Employees Union and said the reason was that indoor staff receive Easter Tuesday as a holiday and the members of the Union felt that as they were also employed by the one authority all employees should be treated as equal.

The matter was referred to the Staff Committee so that councillors could learn if the number of holidays differed between the two sections of employees.

MAN CARRIED 75 FT. ON CAR

While driving along Kororoit Creek Road, Derrick Weston, of Galvin Street, Altona, hit a pedestrian and carried him 75 feet on his car before the man fell to the ground.

At Williamstown Court on Friday cases of driving with a blood alcohol count of more than .05 per cent. and of failing to keep to the left of the road were adjourned for 12 months and Weston was placed on a bond of \$50 and was ordered to pay \$40 to the poor box.

Mr. David Rose, of Geelong Road, West Footscray, said he stopped his truck at the kerb on Kororoit Creek Road during the evening of June 12 last year. He was carrying material for a construction site and was instructed to stop by Mr. Paul Smith who was waving a torch.

He said Mr. Smith walked in front of his truck and was struck by a car which had been travelling on the opposite side of the road.

Const. Hayden said he went to the accident and when he spoke to Weston he noticed

his breath smelt of alcohol and his eyes were glazed.

Weston said he had been driving along Kororoit Creek Road and had pulled out to overtake a truck when he saw a man on the road. He tried to avoid the man but the car would not turn.

The constable said Weston was taken to the police station for a breath test and this showed a reading of .150 per cent.

He said the road at the scene of the accident was covered in mud from the construction site. Mr. Harris had been carried 75 ft. from the point of impact before he fell to the ground.

Weston told the court that he had been overtaking a stationary truck when he saw the man in the road. The car would not turn because of all the mud on the road. The next thing he remembered was the windscreen shattering.

TEST NOT TAKEN IN TWO HOURS

Because no evidence was offered as to the time an accident occurred, a case against William Brown of The Boulevard, Spotswood, of driving with a blood alcohol count of more than .05, was dismissed at Williamstown Court on Friday as it was not known if the test was taken within two hours of the accident.

A case of careless driving was adjourned for 12 months and Brown was placed on a bond of \$50 and was ordered to pay \$20 to the poor box.

Const. Grant said at 2.40 a.m. on October 29 last year, he went to an accident in Saltley Street, Spotswood, where he found that Brown had collided with a stationary car.

Brown told him that he had been driving up the street when he hit the car which did not have any lights on.

The constable took Brown to the police station where a breath test was taken and at 4.45 a.m. Brown was informed of the result, which was .080 per cent.

The owner of the stationary car, Mr. Ian Brown, said he parked the car outside his house. It did not have any lights on, but street lights were burning. At 2.30 a.m. he went outside and found there had been a collision, but he did not know at what time the accident took place.

ANZAC MEMORIAL SERVICE

The Williamstown RSL has arranged a Commemorative service to be held at the Cenotaph, Ferguson Street, on Sunday, April 19, at 3 p.m.

The Mayor, Cr. R. Dawes, will preside and the guest speaker will be Wing Commander John R. McLean.

A parade of returned servicemen, accompanied by the Williamstown City Band, will march from the RSL club-rooms at 2.30 p.m. and all returned servicemen are requested to attend.

It is the desire of the RSL that members of the public do their utmost to be present at the service.

In addition, a Dawn Service has been arranged for 6 a.m. on the morning of Anzac Day (Saturday, April 25).

GIRL GUIDES

WEST METROPOLITAN REGION

Miss McKie, Naturopath, will be the speaker at a Coffee Morning to be held at 10.30 on Wednesday, April 8, at the home of Mrs. McConville, 29 Stewart Street, Williamstown (near hospital).

This function is the first to be held by the Extension Branch Auxiliary to aid the newly-opened Extension Ranger Guide unit in Sunshine and the unit to be opened in the Gellibrand Division.

It will be a very interesting morning and anyone is welcome to come along and hear Miss McKie and help our handicapped girls.

Exceeded .05

Randell Fogarty, of Conifer Avenue, Brooklyn, was fined \$60 and was disqualified from obtaining a driving licence for three months at Williamstown Court.

Fogarty had pleaded not guilty to driving with a blood alcohol count of more than .05 per cent.

Const. Grant told the court that after seeing a car turn into Railway Crescent, Williamstown, and wander across the road, he stopped the car.

He noticed that the driver, Fogarty, smelt of alcohol and took him to the police station where a breath test showed a blood alcohol count of .190 per cent.

Disqualified And Fined

Sylvio Baird, of Melbourne Road, Williamstown, was fined a total of \$120 and was disqualified from obtaining a driving licence for three months at Williamstown Court on Friday.

She admitted failing to give way to a vehicle on the right and to driving with a blood alcohol count of more than .05 per cent.

Const. Stevens said he went to the intersection of Ferguson and Cecil Streets and found two cars which had been turning at Cecil Street. She had only been travelling slowly and when she saw the other car she thought she would have time to cross the intersection, but the car hit her.

The constable said he noticed that Baird's breath smelt of alcohol and she admitted that she had had three beers to drink.

He took her to the police station where a breath test showed a blood alcohol count of .220 per cent.

FAILED TO REGISTER

Two men who failed to register for National Service were each fined \$40 at the Williamstown Court on Friday.

Alex Tasevski, of Clematis Avenue, Altona North, who should have registered in July 1968 and did not do so until March 1969, said he had followed the regulations as in his own country, Yugoslavia, and did not know they were different in Australia.

Barry Owens, of Hannan Street, Williamstown, should have registered in July 1966. He told the Court that he had done so in New South Wales, but had not heard anything about it and had not inquired as to whether his registration had been received.

Amateur Photographers

Apart from lectures on basic photography, the club syllabus lists such items as lectures on "The Negative" and "Print," and on Minolta cameras. They have practical photographic nights both indoors and out and a travel lecture by Colin Simpson on New Guinea.

An attempt is made to cater for all phases of photography and not always of a highly technical nature.

Members are consistently being asked what they would like to see and here at these meetings. These requests are noted and fitted in where possible.

For the more enthusiastic photographer there are some handsome trophies to be won. Why not come along and try your luck — even a record of a family occasion could be a winner provided the picture is correctly composed, exposure is correct, etc. The Camera Club is the place to learn all this. Contact the Secretary now 397-6027.

Approaching Marriage

The wedding of Helen Mary, second daughter of Mr. and Mrs. K. P. Walsh, Cecil Street, Williamstown, to Wayne Robert, only son of Mr. and Mrs. R. J. Norman, Esplanade, Seaholme, will take place at 4.30 p.m. on Easter Saturday at St. Mary's Church, Williamstown.

Altona Life Saving Club

A general meeting of the Altona Life Saving Club was held in the clubhouse on Tuesday, March 17, with Mr. R. Edwards presiding.

LEARN TO SWIM

The secretary, Mr. N. Slater, reported that a total of 32 pupils had enrolled in the Learn to Swim classes during the season, plus eight children of family members.

EXECUTIVES

Miss Heather Harley has been elected to fill the position as minute secretary and Mr. Ken Terry as vice president. Both vacancies were caused by the resignation of Mr. H. Kip.

ANNUAL PICNIC

As previously published the annual picnic will be to Hanging Rock on Sunday, April 5. Time of departure will be 9 a.m. from the clubhouse and approximate time of departure from Hanging Rock will be 5 p.m.

In order that catering and travel arrangements may be completed in good time all names of members and friends wishing to travel by bus or car must be submitted to the secretary or chief instructor by Wednesday, March 25.

There is no cost for members but non members and parents may travel by bus for \$1.50 (including barbecue) and if travelling by car a charge of 50c for the barbecue will be made.

The bus will travel along Millers Road to the Geelong Road and there will be two pick up places; outside the Central Hotel and the 16 Shops. Please be on time as the bus will not wait.

EASTER ARRANGEMENTS

There will be no Learn to Swim class on Easter Saturday and no swimming training on Easter Monday.

PRESENTATION NIGHT

The Annual Presentation Night and Dance will be held in the clubhouse on Saturday, May 23.

SWIMMING TRAINING

Swimming training at the Richmond Baths will resume on Monday, April 6. The bus will leave the clubhouse at 6.45 p.m. prompt, and the charge will be 30c. Only financial club members will be allowed on the bus.

EXECUTIVE MEETING

The next monthly executive meeting will be held in the clubhouse on Tuesday, April 7, at 7.30 p.m.

Central Altona Football Club

Rain washed out a practice match Centrals had arranged with Macedon Football Club on Sunday afternoon. Macedon recorded 5" of rain up until Sunday morning.

The rain also caused the postponement of the barbecue at 29 High Street, Seaholme. It is now to be held on Saturday, April 11, at 8 p.m. at \$1 per head. Everybody welcome.

Unfortunately, Central's Under 18 coach Mick Hatzil has been forced to resign due to business reasons. Mick has also taken up boxing and Centrals wish Mick all the best in his first bout.

Centrals' next practice match is at Heathcote on Saturday, April 4. All those interested in playing are advised to contact the senior coach Ken Collins at training at Langshaw Reserve, Marion Street, Altona North, Tuesdays and Thursdays.

By the way Glen Gilchrist looks like being the best dressed mascot of 1970 with that new black and gold outfit. Keep up the good work Glen.

Local Boxers Put Up Game Performance

Although beaten on Tuesday, March 17, Phillip Littlewood, of Wilga Avenue, Altona, and Kerry Thyer, of Belmar Avenue, Altona, stamped themselves as a force to be reckoned with in future contests.

With more experience on their side they will improve rapidly under the guidance of their trainer, Denis Mangier, and his assistant, Wayne Gates.

The boys train in Denis's Gym, at 24 Myrtle Grove, Altona.

The boxing night took place at the Village Green Hotel in Glen Waverly.

Fighting in the Beginners' Championship, Kerry was very unlucky to lose in a split decision. His opponent won only because of aggression and the decision was hotly disputed by the big crowd attending.

Phillip's fight was also very close. He was fighting in the Schoolboys' Tournament.

Phillip came home strongly in the final rounds to almost knock out his opponent, but the bell rang too soon for him to follow up on his advantage.

Both boys boxed exceptionally well and were not disgraced by their decisions.

Altona East School Sports

On Friday March 13, Altona East Primary School played Seaholme Primary School.

Altona East was successful in two out of the three matches played.

Cricket scores were Altona East ten wickets for fifty two runs defeating Seaholme by one run and four wickets. Best batsmen were Fosto Sanoro who hit seventeen, Mark Lynch and Steven Osborne who both hit ten runs. Best bowlers were Ange Kostakakis who took seven wickets and Steven Osborne who took three.

Also successful was the first softball team. Scores being Altona East 20 to Seaholme 12. Best batter made four runs. The whole team fielded well.

Although the second softball team lost scores were very close. Seaholme being 21 to Altona East 20. The entire Altona East team played well.

Altona Bowling Club

By "WRONG BIAS"

Rain washed out play in social bowls on Saturday and Sunday.

The current club champion, Len O'Donnell, was defeated in the State Champion of Champions contest by George Harris of Ascot Vale, 33-19, after leading early in the game.

Despite rain, night bowls under electric lights was played. Visitors came mostly from Naval Dockyards and Altona Working Men's Club.

The trophy was won by a composite team consisting of Ted Franks (c.), Bernie Jackson, Les Hyde and Wally MacGaskill (leader).

Williamstown Third XI

Due to inclement weather no play was possible in the grand final against Coburg on the first day. The game will now be played on Easter Saturday and Monday.

Williamstown are unlucky to be without the services of Norm Snow whose hostile bowling and hard-hitting batting will be sadly missed.

The following players will represent Williamstown: Bob Ducrow (capt.), right-arm medium pace bowler, John Condon (vice-capt.), right-hand opening bat, Jeff Spicer, left-hand opening bat.

Brian Park, right-hand bat, "Spike" Harris, left-hand bat and right-hand spin bowler.

Ken Stewart, right-hand bat, Frank Bowyer, right-hand bat.

Phil McTaggart, right-hand bat, Bob Saltau, keeper and right-hand bat.

John Harrison, right-arm medium pace bowler.

Peter McGregor, right-arm medium pace bowler.

Graeme Tweedly, right-arm off-spin bowler.

Times of play — 12.30 p.m. to 6 p.m. — at the Murphy Reserve, Port Melbourne

Newport Ladies Bowling Club

There isn't very much activity going on at the club at the moment to report about Wednesday, March 18, was the monthly inter-club day. The winning rink was captained by P. Kisler with R. Whitford, O. Tinworth and D. Leslie comprising the rink from Newport.

Runners-up: V. Rae (c.), A. Murrie, from Williamstown, and E. Watson and D. Ryckroft, from Newport.

A visitor from Woodend held the lucky ticket.

CHURCHES CRICKET FINALS

Shocking weather last Saturday prevented play in all but one of the remaining four finals in the Western Suburbs Protestant Churches Cricket Association.

Inches of rain washed out all hope of play in A Grade, C Grade and Junior North Section, all being played in the Footscray area.

However, seven overs were possible at Gray Reserve, Williamstown, in the B Grade final before heavy rain finally washed out further play for the day. These seven overs were sufficient for the St. Stephen's Presbyterians to gain the necessary runs to establish a first innings lead over their opponents, Williamstown Methodists.

The Junior North Section final between Yarraville Baptists and All Saints had reached its final day, and with a decision already reached on the first innings, Yarraville Baptists secured its second successive premiership in this grade.

In A Grade and C Grade, however, no decision has yet been reached, and the final will enter its third and last day, this Saturday. The B Grade final also will continue next Saturday.

With the position in A Grade, where Kingsville Baptists are 6-275 and its opposition, Barkly St. Methodists have yet to bat, it is quite possible that no decision will be reached next week, either.

If play is at all possible, the C Grade premiership should be completed, as St. Andrew's, Footscray, were dismissed for 188 and Tottenham Baptists in reply are 2-58.

Positions of Senior Grades, and final scores in Junior Grades are as follows:

A GRADE

Kingsville Baptists, 6-275, v. Barkly St. Methodists, to be continued next Saturday at Henry Turner Reserve, Footscray.

B GRADE

Williamstown Methodists, 111, v. St. Stephen's, 5-129 (Forbes 42 n.o.) to be continued next Saturday at Gray Reserve, Williamstown.

continued next Saturday at Gray Reserve, Williamstown.

C GRADE

St. Andrew's, Footscray, 188, v. Tottenham Baptists, 2-58, to be continued next Saturday at Footscray Park.

JUNIOR — NORTH
Yarraville Baptists are premiers over All Saints.

JUNIOR — SOUTH
Altona Presbyterians are premiers over St. Andrew's, Williamstown.

UNDER 12 SECTION

Electra St. Methodists are premiers over Kingsville Baptists.

Williamstown Bowling Club

With round four of the contest for the Champion of Champions coming up, members are anxiously watching the Club Champions in his efforts to win.

Everybody agrees that Sam Trevillian has the big time temperament and that the future games will not disturb him and effect his standard of play.

A closely contested game, with both teams playing brilliant shots and displaying tactics seldom seen, resulted in a one shot win to Jim Walker and Eric Prefley over Stan Weight and Dave Palmer in the final of the Vice-President's pairs.

From a spectator viewpoint both teams deserve high commendation for presenting a very enjoyable game.

The contractor has now moved in and No. 1 green is no more. Schedule is being maintained irrespective of the inclement weather and the drainage will be completed this week-end.

Altona Little Athletics

FINAL DAY OF INTER-CLUB COMPETITION ABANDONED DUE TO BAD WEATHER

The final day of the Little Athletics competition was abandoned due to inclement weather. Club managers and competitors are advised that by decision of the executive council points scored by individual clubs will be reckoned up to and inclusive of the inter club competition held on Saturday, March 14.

A perpetual trophy, donated by the Victorian Egg Board, principal sponsors of the Victorian Little Athletics Association, will be presented to the successful club in the Civic Hall on Sunday, April 5, at the Altona Centre's Presentation Night.

Presentations will also be made on the same evening to the most outstanding boy and girl athletes from Altona and to the runners-up in these categories.

This function will be preceded by a barbecue and two-light meeting at which parents and officials will compete in novelty events officiated by boy and girl athletes in the Under 12 Section.

DELEGATES MEETING
The final club delegates' meeting will be held in the Homestead at 7.45 p.m. on Wednesday, March 25.

INTERSTATE LITTLE ATHLETICS MEETING
West Australian and New South Wales Little Athletics

have accepted an invitation to compete against Victorian-selected little athletes at a meeting to be held at Olympic Park, Melbourne, commencing at 8 p.m. on Wednesday, March 25.

This is the first interstate competition arranged for little athletes since the inception of the movement in Victoria and all children and parents are assured of a very enjoyable evening and a high standard of competition.

SPECIAL THANKS

The Altona L.A.A. Executive Council wish to express their sincere thanks to K. M. and L. Dib, proprietors of the Westona Milk Bar, for their sponsorship of a special effort for the Altona Little Athletics Centre which resulted in raising \$54.60 in funds for the Centre.

Mrs. Brownlee, of Maidstone Street, was the winner of a magnificent Easter Egg arrangement donated by K. M. and L. Dib.

Victorian Little Athletics Championships

Eleven girls and 18 boys from the Altona Little Athletics Centre won their way through the Victorian Zone Championships and will contest 38 events in the Victorian Championships to be held at Olympic Park on Saturday, April 4.

Mr. Frank Heyme and Mrs. Eileen Nevitt will manage the Altona Centre little athletics team and all competitors are requested to report to Mr. Heyme and Mrs. Nevitt no later than 9 a.m. at Olympic Park on Saturday, April 4.

Competitors are reminded that spikes may only be worn in lane events and that the maximum permissible length of spike is 3/4". Spikes longer than 3/4" will not be permitted on the new all-weather track.

The names of Altona competitors together with details of the events which they will contest at the Victorian Championships are as follows:

GIRLS
UNDER 9. — J. Rice, J. Marks, 60 metres hurdles; S. Abfalter, discus; E. Bonser, long jump.

UNDER 10. — J. Abfalter, discus.

UNDER 11. — N. Whittman, 100 metres, 200 metres, high jump; R. Osborne, 400 metres; T. Baum, triple jump.

BOYS
UNDER 9. — N. Condon, 100 metres, 60 metres hurdles, shot putt; P. Schynnder, 400 metres, 800 metres; P. Clement, 800 metres walk; D. Murphy, 200 metres; D. Rosambo, triple jump.

UNDER 10. — P. Curran, 400 metres, discus and shot putt; W. Clement, 800 metres walk; G. Bone, high jump and long jump; C. Wyllie, high jump.

UNDER 11. — R. Nash, 1,500 metres; G. Thompson, 800 metres walk; G. Sullivan, 200 metres; B. Howden, 400 metres.

UNDER 12. — S. Faulds, shot putt and discus; J. O'Donohue, 400 metres; D. Whiffin, 800 metres; B. Dodd, 100 metres; J. Clark, 800 metres walk.

WESTONA LITTLE ATHLETICS

Westona Little Athletics Club conducted their championships at Grant Reserve on Sunday afternoon.

Trophies, which were presented by John Coyle of the Glenhenty Amateur Athletic Club, were won by:

GIRLS
Under 9. — Janet Rice, 3,903 points.
Under 10. — Vikki Clark, 3,347 pts.
Under 11. — Robyn Osborne, 3,368 pts.
Under 12. — Merrienne Newman, 2,891 pts.

BOYS
Under 9. — Stephen Smith, 4,331 points.
Under 10. — Michael Barrie, 4,486 pts.
Under 11. — Paul Wilsher, 4,928 pts.
Under 12. — John O'Donohue, 5,733 pts.

The Presentation Night will be held on Friday, April 17, at 7.30 p.m., and the Annual Meeting on Tuesday, April 28, at 8 p.m., at the Altona West Primary School.

An evening to wind up the season for the adults will be held at the home of Mrs. Clark, 27 Chiffey Avenue, on Friday, April 3, at 8 p.m. Entry 40 cents.

The club thanks all concerned who helped to make this season so successful, to the officials, competitors, spectators, and wish to convey their best wishes to the under 12 children who will not be competing with us next season. However, these children are still eligible to compete during the cross-country season this year. We hope that these children continue on to senior competition.

WANTED

UNDER 18, UNDER 16 FOOTBALLERS AND PARENTS FOR ALTONA CITY FOOTBALL CLUB

Lads interested will be welcomed at Grant Reserve any night of the week for the next 2 weeks, as well as 2.30 p.m. on Easter Saturday.

Mr. George Nevitt, President Altona L.A.A., expressed his warm appreciation to all concerned for their generous support and extends to all connected with Little Athletics his Executive's felicitations for a happy and safe Easter.

Williamstown Little Athletics

The Williamstown Little Athletics Championships were washed out last Saturday. It was to have been the last day of the season and the second day of the Championships.

They will now be held on Easter Monday, starting at 9 a.m. sharp. As it is hoped the championships will be completed in the morning, equipment has to be out early and the officials must be ready to start at 8.45 a.m.

Today, March 25, Bernadette Dagge (Sacred Heart Club) and Adrian Sims (North State) will represent Victoria in contests between Victoria, New South Wales and Western Australia being held at Olympic Park at 8 p.m. They were selected from the whole of Victoria, in all, 20 children were chosen.

On April 4 the Victorian Championships will be conducted at Olympic Park. They will be officially opened by the Governor of Victoria, Sir Rohan Delacombe.

The Williamstown Little Athletics Presentation Night will be held at Williamstown children are still eligible to

The Championships will mean the end of the summer season and on April 26 cross-country will commence.

Altona City Football Club

The Altona City Football Club coaches for 1970 are:

Open Age: D. York.
Under 18: R. Buckingham.
Under 16: A. Johns.

Until the season actually starts on April 11 and players' time-tables are arranged, training will be held every night to allow players to get fit.

Many more boys are needed for the Under 16 team which has only three players from last year able to play this year.

It is hoped to field a second Under 18 team to give many lads a game who have not yet trained. Another ten boys are needed to make this team. Many parents are also needed if the two teams are to be a success.

Ladies are asked to help on the committee and the canteen and men to do jobs which must be completed before the teams can play.

WESTERN SUBURBS TABLE TENNIS

An exciting final series seems assured at the end of the home and home rounds in the Western Suburbs Table Tennis A Pennant, when in the last round the top side, Kingsville, lost to Footscray, while second and third sides Newport and Williamstown won their matches and will clash in the semi-final next week.

The outcome of this match is almost impossible to predict except to say that the final score should be 6-5 either way.

In B1, Maribyrnong retained top place and the right to play on in the grand final with an 11-0 walkover in the last round while AGM defeated Westerners 7-4 and Centre (Wylie, Lambert, Slatery, Doyle) defeated Footscray 9-2, which was a reversal of round 15 form when Footscray, with a full side, were too good for Centre and won 8-3.

Next week's B1 semi-final will see Centre and Footscray clash again in what should be the toughest of matches and any spectators to Friday night's matches will see table tennis played in the best traditions.

B2 SEMI-FINAL

Ballarat Rd. Methodists defeated Reckitt & Colman 6-5 after a match in which BRM gained an early lead but Reckitt fought back to level at 5-all.

Bob McInnes and Jack Jennings battled out the vital eleventh rubber and McInnes' aggressive style won the rubber 25-23, 21-13 and the match 6-5.

Ted Powell was Reckitt's best player with two rubbers.

C2 SEMI-FINAL

Seaholme were not disgraced in losing 3-6 to MPD as this match was of a high standard, but MPD's best players—Brian Flynn and Andy Clark—were in top form and will be hard to beat in the grand final.

C3 GRAND FINAL

In the C3 grand final Australian Glass won from F. & T. Carpets at 6-2. However, the score does not give a true indication of the closeness of the match in which AGM's Reg Hewitt won two singles rubbers 22-20 in the third game and a doubles rubber 22-20, 22-20, while Max Singleton of AGM also won two singles rubbers.

D3 GRAND FINAL

Although Edd Drewry and Graham Mackinnon each won two singles, Reckitt & Colman, favorites for the flag, could not match Snappers' overall strength and Snappers won 7-4.

John Catchpool was Snappers' best player with three sound singles wins.

D4 GRAND FINAL

Reckitt & Colman won the D4 grand final in the eleventh rubber when Pat Berry, the undisputed top player in the grade, defeated George Cassar 21-11, 21-16 to give Reckitt a 6-5 win from St. Mary's F in a match that was marked by tension and evenness from start to finish.

D5 GRAND FINAL

Newport Post Office, as expected, won this match easily at 6-1 from Seaholme, who tried hard but found Newport P.O. too strong.

Bernie Fox and Charlie Treble were both undefeated in singles rubbers for Newport P.O.

E1 GRAND FINAL

The E1 grand final was a titanic struggle between St. Mary's D and North Footscray Youth Club.

St. Mary's (Buttigieg, Lewer, Strachan) gained an early 4-1 lead, but North Footscray levelled at 4-all with two singles and one doubles rubbers.

John Lewer then defeated G. Parkinson 21-17, 21-8 and Paul Buttigieg "pipped" N. Manton in a thriller 20-22, 22-20, 24-22 to give St. Mary's the flag.

North Footscray must be considered slightly unlucky as they finished the season on top of the ladder, but found St. Mary's a little too good on the night, especially St. Mary's John Lewer who was in excellent form with three good singles wins.

E2 GRAND FINAL

North Footscray Youth Club fared better in E2 where they defeated Newport Post Office 6-4.

J. Freeburn, R. Quail and C. O'Brien each won a singles rubber for Newport, but North Footscray's Bill Richards, with three singles wins and E. Spence with two wins plus one doubles rubber won the grand final for North Footscray.

Williamstown CYMS Football Club

PRACTICE MATCH,
MARCH 21

Despite a deluge of rain the North Footscray ground was in quite good condition.

However, the incessant rain during the match did spoil conditions of play.

FIRST HALF

Williamstown commenced well and showed fine teamwork. Town's handball and play-on style of football were a pleasure to watch. Rucks and rovers were combining together well. The only flaw was in front of goal where quite a number of opportunities were missed.

HALF-TIME SCORES

Williamstown CYMS 3-4-22, North Footscray 1-3-9.

SECOND HALF

With many changes in the second half, CY's did not combine together quite as well. Nevertheless all players fought on well and the match was an excellent workout. With over 10 new players participating this match augurs well for the 1970 season.

FINAL SCORES

Williamstown CYMS 4-5-29, lost to North Footscray 4-8-32.

NEXT PRACTICE MATCH

The final practice match is against Williamstown Methodists on Fearon Reserve. The date is Saturday, April 4, the week before the first game.

TRAINING

We would still like to see a few fresh faces at training. Anyone who wishes to play is quite welcome to attend training at the Fearon Reserve, Osborne Street, Williamstown, on Tuesday and Thursday nights.

DATES TO REMEMBER

The 1969 Football Presentation Night is on Thursday, April 2, in the clubrooms, commencing at 7.30 p.m. All supporters are welcome.

The club is holding a Picnic at Little River Sports Ground on Sunday, April 5. There will be novelty events for all the family, a mile race and the CYMS Gift. All supporters and friends will be most welcome.

Goats' Milk By Train

Young children suffering from allergy complaints such as eczema and asthma, and adults with gastric and certain other disorders, are being helped by the Railways — their needed goats' milk goes by train.

Almost 300 pint bottles a week of this unusual freight leave Mentone railway station, for private customers throughout the Melbourne metropolitan area and some nearby country towns, the Victorian Railways Commissioners said today.

The "empties" were returned later, also by train. The Bayard family, who had been in the industry for 19 years, were the people behind the milk.

Mr. Paul Bayard had 80 goats on his 56-acre property at Pakenham Upper, and was thought to be the State's biggest goatkeeper.

Each day bottled milk was taken to his parents' property at Heatherton, where it was pre-cooled overnight, before being dispatched from Mentone station, around 7 a.m.

"Within two hours, the milk is in many customers' refrigerators," said Mr. L. Bayard, Snr.

Explaining why goats' milk was recommended for certain medical conditions, Mr. Bayard said that it contained less fat.

"For this reason, it takes 2½-3 hours to digest cows' milk, and only about 20 minutes for goats' milk," Mr. Bayard explained.

"And goats' milk is naturally homogenised," he added.

In addition to private orders, some milk was sent to a milk factory at Tongala where, after processing, it was canned. In this form, it was available to certain people on prescription, under the National Health Scheme.

This was one of the reasons why the Bayards said there was little profit to be made out of goats' milk, and many other producers had gone out of business.

"When you are supplying babies and other people who need the milk, you just can't dump them," Mrs. Bayard said.

The family seldom meet their customers, but take an interest in them.

"I particularly like to hear how the children are progressing," Mrs. Bayard added.

A Surrey Hills mother had been receiving 12 pints every week for the past 14 years for her son, who had developed quite a taste for it. Just recently, when he started work and his mother told him that he would now have to pay for the milk, the order was reduced to nine pints.

"Some people might wonder why we send the milk, in bottles, by train," Mr. Bayard said.

"Let me put it this way. Last week a new customer at Glen Waverley phoned for supplies. The order was immediately dispatched, but after four hours at the station, it still had not been collected.

"The Glen Waverley station staff phoned us to find out the customer's address so that contact could be made. To me that's real service."

The goats were mostly the British Saanen type out of imported stock. Each averaged about a gallon of milk a day, and each milking took about 1½ hours in the six-stand shed.

LADIES, if you are bored at home and have spare time during the week, why not try a new interest, meet interesting people and earn money at the same time.

Do Your Savings Qualify For A Grant?

(By Frank Foy, Australian Secretary, Real Estate & Stock Institute)

Explanations have been given that the main forms of savings that are acceptable for purposes of the Home Savings Grant Scheme are those made in Home Savings Accounts with banks or with building or co-operative societies.

Savings made in the acceptable forms before, as well as after, marriage can count towards a grant. If both husband and wife are eligible persons, the savings of both are taken into account whether the home is in their joint names or in the name of only one of the couple.

The savings of the husband are those held in his name and the savings of the wife are those held in her name. Savings held in the name of another person such as a parent cannot be accepted as the savings of the applicant. The only exception is where the savings are held in trust for the applicant.

If the husband and wife hold savings in their joint names, half of the savings are deemed to be those of the husband and the other half those of the wife. If only one of the couple is eligible, half the joint savings are regarded as those of the eligible partner.

Savings held in the name of one member of a couple cannot be accepted as the savings of the other member. But if both husband and wife are eligible on all other grounds and one or both of them did not hold acceptable savings throughout the required period of three years before the date of the contract to buy or build the home, the savings of both husband and wife are considered together.

For example, if the husband had held acceptable savings for only part of the three-year period, but the wife had held acceptable savings for the other part of the three-year period (or for the full period), the couple would be regarded as having held acceptable savings for the required time and both would be eligible under the Scheme. The savings held in each of their names would be considered together in determining the amount of grant payable to them as a couple.

Full details of the conditions under which grants are payable are contained in the pamphlet "A Grant For Your Home" which is available free from any bank, building society, post office or office of the Commonwealth Department of Housing.

Sydney Harbor Bridge

The prize for the longest drawn-out project undertaken by New South Wales does not belong to the Eastern Suburbs Railway or even the Sydney Opera House, but to the Sydney Harbor Bridge which was opened nearly 40 years ago this month.

According to World Book Encyclopedia the government of New South Wales first invited engineers to design a harbor bridge in 1880.

The project was not actively studied until 10 years later and the New South Wales parliament twice rejected the building of the bridge before work began in 1923.

The bridge was finally opened on March 19, 1932.

Birth Rates

(FROM IPA FACTS)

Assuming that you have a normal pulse beat, it will not keep up with the increase in world population. Every time your pulse throbs, the population of the world will have added more than one human being — with every minute world population has increased by 120.

In these days of the population explosion and the danger that the number of people may out-run the world's capacity to feed them, birth rates have become of great significance. Most people are agreed that population control has become a social problem of the first importance.

The following figures of birth rates in different countries are, therefore, of particular interest.

[No. of births Per 1,000 Population, 1966.]

HIGH: Ecuador 44, Egypt 41, Indonesia 40, India 38, China 35.

MEDIUM: South Africa (White) 22.8, Ireland 21.6, Canada, Australia 19.3, Italy, United States 18.5, U.S.S.R. 18.2, United Kingdom 17.9, West Germany 17.8, France 17.5.

LOW: Belgium 15.8, Sweden 15.8, Czechoslovakia 15.6, Bulgaria 14.9, Rumania 14.3, Japan 13.7.

The birth rate depends, of course, on other things than the extent of contraception. The proportion of people of child-bearing age in the community is an important factor.

SEAGULLS' FIRST XI "WASHED OUT" OF CRICKET FINAL

The 1969-70 highly successful season in which hopes were high for the club's first pennant since 1946-47 foundered when dismal weather washed out play against Geelong last weekend.

Rain which began on Thursday persisted over both Saturday and Sunday with unfortunate results for Town. Because it finished lower than Geelong Town dropped out of the premiership race whilst the Cats will now continue to battle on in an endeavour to gain the flag.

In the next issue of this paper a resume of the season featuring Town's performances, together with highlights of the season will be given.

By courtesy of Williamstown's First Eleven scorer, Bill O'Dwyer, the following is the players' averages for season 1969-70.

KEEN GAME ANTICIPATED FOR ALTONA CITY IN SECOND ROUND OF SOCCER

Sunshine City will play Altona City in the second round Dockerty Cup tie at Sunshine on Saturday.

What a battle this will be. Sunshine are the Dockerty Cup specialists and year after year they work their way through to the top teams and they usually oust quite a few of them.

Altona City have won the last three cups they have played for — Geelong, Victorian Metropolitan and the Noordenne Cup. This is not a bad record but it would be almost impossible for Altona to win the Dockerty Cup.

However, the side that defeats them will know they have been in a hard game.

With two sides like these playing each other the local fans are in for a treat and the winner is anybody's guess.

The gentlemen who handed in cheques to the Altona Soccer Club after last week's Cup final (it appears they were so pleased with the way the team played) have been made members of the club.

This type of gesture by the Altona public can only do good. It is a very hard struggle for any sporting body to make the big time and this type of help and encouragement is greatly appreciated.

Over the next few weeks Altona will be advertising

for members in an effort to try and strengthen all aspects of the club activities. The big question that will be asked is, do the Altona residents want a State League soccer team of their own or are they content to travel and support some National State League side?

Altona City have one great aim and that is to make Australia a top soccer nation for world competition and this can only be done through the juniors. Australia is tops in most sports, why not soccer?

400 million people will see the World Cup games on TV later this year and it would be great if some year we could see a team of young Australians win the Cup and the acclaim of the world's sporting public.

Top teams like Milan, Leeds and Rangers all started with a handful of enthusiasts who worked hard, gained support and are now household names throughout the world.

Let's give support to the Bruce Roberts, Anthony Hamill and Nat Little's and all the other boys who eat, sleep and drink soccer and in the next season or two will move into the top team.

Newport Baseball Club

Next week-end the club are entertaining the Petersham Baseball Club from New South Wales.

Petersham, with 15 players in the party, will play three practice matches.

There will be a reception for the visitors at Harry Douglas's residence on Friday at 10 a.m. All members and their families are invited to attend.

Junior practice will be held next Sunday at the High Street Reserve at 9.30 a.m. Stan McKay would like any interested boys to attend.

Altona North Little Athletics

The annual Presentation Night this year will be held at the Church of England Hall, Blackshaws Road, Altona North, on Saturday, April 18, commencing at 7.45 p.m.

The special effort (a coffee table) was won by Mrs. Ryan from Laverton.

Congratulations to all children who have won a place in the Victorian Championships.

A TASK IN ITSELF

(From Ipa Facts)

The most remarkable thing about the human species is its infinite diversity. No man is precisely like another. No man has his duplicate.

Each person is distinct from the next — an individual in his own right.

This is why attempts to force men into a common mould, to impose upon them a single system of belief — political, social, religious — to compel them to accept one particular "ism," are, in the end, doomed to failure. They run counter to the essential nature of man which consists in the assertion of his own God-given individuality.

When he is prevented from expressing himself freely, where he is unable to follow his own particular bent, to pursue his own desires, man feels as an animal in a cage must feel. He is cut off from his natural habitat; he is isolated from the source of his true self; he is more dead than alive.

Human beings should, of course, always observe generally accepted standards of decent behaviour. The driver must abide by the "rules of the road."

If men would recognise the imperative need of others to be themselves, to be different, perhaps many of the ills of the world would vanish.

We make a terrible mistake when we think that what is good or right for us is necessarily good or right for the man next door. How presumptuous of anyone to imagine that he has the right to interfere with his neighbour, to tell others how to live their lives!

If we are asked for advice, we can give it. Otherwise we should leave well alone. Respect for others, tolerance of their ideas and foibles, compassion in their misfortunes, are the marks of the truly civilised human being.

The reforming zeal is good, but with too many of us it takes the form of wanting to reform others, to persuade them to accept our own standards and ideas.

The first step towards improving things, towards making a better world, is to make oneself better. That is surely task enough in itself.
